NOW HIRING
WEBSITE DESIGNER

Location: On-site at our Jackson, Mississippi, headquarters
Company: The Cirlot Agency
To Apply, Email Resume to: tcainfo@cirlot.com

WHO WE ARE:

The Cirlot Agency is a full-service global brand strategy, integrated communications, and business development firm that serves some of the best clients in the world, ranging from Fortune 100 companies to some of the world's largest privately held corporations, on a domestic and international basis.

WHO YOU ARE:

Experience and Expertise
The ideal candidate will have:

- A portfolio of your work that demonstrates successful execution

- Strong communication and problem-solving skills, along with the ability to meet deadlines in a fast-paced environment

- A commitment to integrating new sources of creative inspiration into your work, along with a determination to enhance your creative and technical skills

- A comprehension of the balance between design freedom and business needs

- A love for learning

- Strong work ethic and capacity for independent work

- Unafraid of a challenge

WHAT YOU DO:

Job Requirements

- The role involves ongoing communication with colleagues.

- To succeed in this position, you should have extensive functional knowledge or practical design experience with CMS tools like Drupal, WordPress, and others.

- Comprehensive understanding and hands-on experience with web applications and programming languages, such as HTML, CSS, JavaScript, jQuery, and APIs

- Knowledge and experience in SEO

- Candidates should possess a solid understanding of UI design, cross-browser compatibility, general web functions and standards, as well as a comprehensive knowledge of computer architecture, client-server relationships, and Relational Database Management Systems.
- Maintain a solid understanding of security principles and their application to E-Commerce applications
- Stay updated on industry trends and the latest development practices
- Knowledgeable about WC3, 508 compliance, and security policies

Skills/Qualifications:
JavaScript, jQuery, HTML, HTML5, CSS, CSS3, web programming skills, e-commerce, teamwork, verbal communication, cross-browser compatibility, web user interface design (UI), security principles, object-oriented design, multimedia content development, APIs, and SEO.

We are looking to fill this position immediately. Interested candidates should email a current resumé and samples to tcainfo@cirlot.com. Please, no phone calls.

LOCATION:

This is a **full-time, on-site** role based at our headquarters in Jackson, Mississippi. **Remote work or freelance opportunities are not available for this position.**

HOW TO APPLY:

Interested candidates should send a current resumé via email to: tcainfo@cirlot.com. No phone calls, please.
